

# 2010 Donegal Garden Trail Application

The aims of the Donegal Garden Trail are to promote gardening and garden visiting in County Donegal. Participating gardens are free to choose when they wish to open (a minimum of two days). Each participating Garden must make its own insurance/public liability arrangements. The two critical criteria are that the Garden is of sufficient horticultural interest and that it is safe to visit. All gardens must be passed by a DGT panel of experts. Closing date for entries Sept 15th 2009.

## 2010 Application - information given will appear in guidebook and on DGT website
