

Donegal Garden Trail Application

The aims of the Donegal Garden Trail are to promote gardening and garden visiting in County Donegal. Participating gardens are free to choose when they wish to open (a minimum of two days). Each participating Garden must make its own insurance/public liability arrangements. The two critical criteria are that the Garden is of sufficient horticultural interest and that it is safe to visit. All gardens will be visited by two Garden Trail members to ensure these criteria are met. **Closing date for applications is Monday 23rd September 2019.**

2020 Application - information given will appear on the DGT Website and Brochure
